Spring into summer, summer into fall,
So rolls the changing year, and so we change;
Motion so swift, we know not that we move.

Student-elected representatives form Junto . . .

Education at Franklin is geared to the development of the whole individual. While learning in class and participating in extra-curricular activities the student is developing his character and his social consciousness as well as his intellect. Junto, Franklin's student association, plays a very necessary and important part in the formation of the student's entire identity.

Junto is a training ground for tomorrow's leaders and followers. It teaches the democratic ideal, the art of compromise, respect for the opinions of others, and the techniques of group participation. Junto emphasizes self-reliance and offers an excellent opportunity for selfless school service. It presents a challenge and stimulates effort in worthwhile projects.

The student government is made up of every student at Franklin. In order for our government to be truly effective and perform its valuable services for the individual, everyone must take an interest and do his part. In this way students will be aiding not only themselves but also their school.

What is Varsity Club?

Varsity Club at Franklin High was inaugurated this past fall under the supervision of advisors Mr. Richard Cerone and Mr. Louis Christensen. The purpose of the club is to bring athletes of the school into an organization that will contribute to the well-being of the school and its students, and achieve unity among its athletes and students to the point where loyalty, teamwork, citizenship and scholastic honors will be commonplace.

The leaders of the club this year were Joe Refici and Fred Siesto, Chairmen; Pat Taricone, Treasurer and Joe Vosylius, Secretary. The club sold refreshments at varsity contests, ushered at school dances and sponsored an exhibition night featuring outstanding performers in archery, ping pong, gymnastics and judo. The club hopes to pay tribute in the form of awards to Franklin's outstanding senior athlete, and all three star winners.

Our Class President Speaks:

Well Seniors, the party is nearly over. When we came to Franklin our becoming seniors seemed a far off impossible thing. But here we are leaving the place which has become our second home and trying to figure out where the years have flown. Our years here at Franklin have molded our lives and given us some unforgettable memories. So fellow Seniors prepare yourselves and make use of everything you are offered. Now for all seniors, I say the very best of everything to everyone and to Franklin, seniors say Thank You!

A Sentimental Journey

Honored guests.

The Last Will and Testament

We, the Class of 1963, being of sound mind and body, well, of sound mind anyway, do hereby bequeath our few remnants to our beloved teachers, who so direly need them. We leave behind us a long trail of homework assignments, torn books, and gum wrappers (blasphemy!). After due consideration we submit this, our Last Will and Testament. Don't spend all your booty in one place, teachers.

To Mr. Sabin we leave our most sincere and deep thanks and appreciation for making these years at BFHS the best years of our lives.
To Mr. Lowell we leave the record, "Artificial Flowers."
To Miss Martens and Mrs. Redding we leave a hole puncher and a stack of passes without the holes.
To Mr. Barrett and Mr. Jefferis we leave a bottle of Miss Clairol to cover up the gray hairs they acquired while working on this year's *Key*. Do they or don't they?
To the boys' gym we leave a new color group, yellow, for all those boys who hate gym.
To Mr. Fellows we leave a pogo stick so that next year he can keep up with Miss Lemley.
To Miss Bates we leave a year's supply of Windex to clean her glasses with.
To Miss Rowley we leave a megaphone and hearing aids for her students, and a "409" Jeep with a 4-speed floorshift.
To Mr. Cohen we bequeath the book, "How To Keep Corridor Aides Away From the Bookstore."
To Mr. Florack we leave a permit to use Miss Rowley's Jeep as a "paddy wagon" during lunch.
To Mr. Bloom we leave 200 pairs of those gruesome goggles.
To Miss Hess we leave a silent and co-operative Latin III class.
To Mrs. Morsheimer we leave a solid gold frame for her "THINK" sign.
To Mr. Mousso we leave a set of antlers.
To Mr. Koch we leave an economics class that will pass, "Come — or high-water."
To Mr. Gebauer we leave a competent Courant staff that meets its deadline before 7 o'clock Friday night.
To Mr. Iman we leave a "Mezzuzah" for his office door.
To Mr. Brigandi we leave a "billy" club and a pair of brass knuckles.
To Herman we bequeath 2,793 mouse traps to put in the lockers, and a dog named "Mangy".
To Mr. Crane we leave a Gilbert erector set with which he can build an early assignment bell so he may dictate homework before dismissal.
To Mr. Vaiana we leave a coffin for all those people who are "dead wrong."
To Mr. Marlin Smith we leave a stuffed fish. Guess what kind.
To Mr. Jefferis we leave a gold star for successfully bluffing 45 seniors out of the Senior Council picture.
To Mr. Migliore we leave a lifetime membership in the "Kikowaps." Donated by a bunch of "beauties."
To our counselor, Mr. Smith, we leave an eighth grade class that will have its college applications sent out by next year.
To Miss Streb and Mr. Bukowski we leave the song "Thanks for the Memories."
To this year's Eighth graders we leave twelve cartons of Wate-On and 300 pairs of elevated shoes.
To next year's Sophomores we leave a booklet entitled "Flipping Locks is Strictly for Kids."
To next year's Juniors we leave 500 Senior ring patterns.
To next year's Seniors we leave our sympathy.
To Franklin High we leave our sorrow. How will you live without us?

This document was formally presented at the Senior Banquet on the nineteenth day of January, nineteen hundred and sixty-three. We hope our inheritors will long remember us; we will surely remember them. And so, dear Franklin, we leave you —good-bye.

Harold Roche
1901-1962

The seasons are come
full round—year's done.
Autumn's leaves have turned
to gold and fallen.
Winter's whirling snows and ice
Have wrought their landscape wonders
But to vanish under spring's
gentle winds—
And lo, May's blossoming fragrance
Wanes before the first hints
of summer heat.
The seasons are come
full round—year's done.

THE STORY OF OUR YEAR *is* done, a year of memories and of promise: new friends, deeper understandings, never-to-be-forgotten experiences. Still we stand on the threshold of a new beginning and as each season's end holds the promise of the next so we know the future is bright with possibilities.

ADVERTISERS

Rochester is sometimes referred to as "the city that has everything." In business, industry and the professions, this is especially true. No matter what kind of a career appeals to you, there is an excellent chance that you can begin it right here. And the beginning is half the battle won!

It goes without saying that the first step is your formal education—as much as you can get. Employers look for this first. The next thing they look for is "brightness." And one key to "brightness" is how much you actually know about the kind of work you're going after. This is something you don't inherit from anybody. It is information you gather in advance for yourself—from parents, teachers, counselors, and friends. Most important—employers themselves are always ready to explain their standards and requirements.

Your idea of the best career for your particular talents may change, as you acquire more and more information about different fields of work. But when you decide what you want to do, some employer in the Rochester area will really want you—because by analyzing yourself, you have made yourself valuable.
